Patio Enclosures

Increase your home's value AND your level of comfort with a Dacraft™ custom-made enclosure. We have a style that's just right for you!

VINYL INSULATED

Enjoy the comfort of indoors AND the beauty of outdoors ~ at the same time! Our Vinyl Insulated Enclosures never need painting, are super easy to clean and literally add liveable space to your home.

SCREEN & GLASS

Let the sun shine in, while the noise and bugs stay out! Custom-made to your specifications, whether you're updating an existing patio or starting from scratch. Featuring triple-track windows and double-strength glass.

SCREEN ROOM

Love the great outdoors even more! Our Screen Room designs allow you to feel those beautiful breezes without the stings, bites and nuisances that come with being outside. Easily upgrade an existing cover!

STICK-BUILT

Featuring an insulated wood frame & durable vinyl siding, our 'Stick-Built' Enclosure allows you to seamlessly blend your patio with the look of your home's exterior. It's like getting that extra room you've always wanted!
